REOPENER

In the event that the City reaches a settlement with any other employee unit covering the time period of this Agreement that has an ongoing total compensation reduction of less than ten percent (10%), in any form or manner, this agreement will reopen on the subject of total compensation and the parties will meet and confer to determine how the difference between a 10% ongoing total compensation reduction and the lesser amount agreed to with any other employee unit will be provided.

This provision will also apply in the event the City reaches a settlement which does not include the roll back of any general wage increase (not including any step and/or merit increases), as authorized by the City Council on November 25, 2010, received by any employee unit in Fiscal Year 2010-2011.

This provision will not apply to any changes made to any employee unit which occurs as the result of an interest arbitration award that is the result of contested issues resolved only via a full evidentiary hearing and substantive briefing.

This proposal is submitted in an attempt to reach a settlement. In the event the proposal is not accepted, the City reserves the right to modify, amend and/or add proposals.
